Additionally, You, individually ("You" or "Subscriber"), and You, on behalf of every member of your household, current and future, every visitor to or guest in your household, and any other person who uses the Services (together with Subscriber, the "Subscriber Group"), agree to be bound by the terms of services for "Services".

- 25. VOICE 911/E 911 SERVICE LIMITATIONS AND LIMITATION OF LIABILITY-** You understand and acknowledge that you may lose access to Truestream Phone service or the service may not function properly, including the ability to call for 911/E911 service, under certain circumstances, including but not limited to, the following: (i) TRUESTREAM’S NETWORK OR FACILITIES ARE NOT OPERATING (ii) IF YOU OTHERWISE LOSE YOUR BROADBAND CONNECTION; (iii) IF YOU ARE EXPERIENCING A POWER OUTAGE (iv) IF ELECTRICAL POWER TO THE MODEM IS INTERRUPTED; and (v) IF YOU FAILED TO PROVIDE A PROPER SERVICE ADDRESS OR MOVED THE SERVICE TO A DIFFERENT ADDRESS. You understand and acknowledge that in order for your 911/E911 calls to be properly directed, Truestream must have your current service address and if you move your Service to a different address without Truestream’s prior approval, 911/E911 calls may be directed to the wrong emergency authority, may transmit the incorrect location address for responding or the Truestream Phone service (including 911/E911) may fail altogether. You are required to notify Truestream of any change of address of the voice enabled advanced modem for E911 calling service to work properly. You agree that, to the maximum extent allowed by law Truestream shall have no liability for any damages caused, directly or indirectly, by Subscriber’s inability to access the Services, including the Truestream phone and 911/E911 services. You agree to defend, indemnify, and hold harmless Truestream, its officers, directors, employees, affiliates and agents and any other entity. who furnishes services to you in connection with this Agreement or the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, reasonable attorney’s fees) by, or on behalf of, you or any third party or user of your account relating to the absence, failure or outage of the Service, including 911/E911 dialing and/or inability of you or any third person or party or user of the Service to be able to dial 911/E911 or to access emergency service personnel. - 26. VOICE SERVICES-DIRECTORY LISTING.** Truestream offers Subscriber a private number service as the default, or a directory listing upon request. Depending on the location and Subscriber’s preference, Truestream Service may include one (1) basic directory listing in an alphabetical white pages directory, or other comparable online directory, containing an alphabetical list of names, telephone numbers and addresses of all telephone Subscribers in a particular geographic area set by the publisher. The alphabetical list of Subscriber names is for the purpose of informing interested parties of the telephone number and address of listed Subscribers, and special position or arrangement of names may be provided for an additional charge. Listings shall conform to the publisher’s practices with respect to published directories. Truestream limits the length of any listing in the directory by the use of abbreviations when, in Truestream’s opinion, the clarity of the listing or the identification of the Subscriber is not impaired by doing so. The duration of the directory listings, when the listings have been published, is the directory period. The directory period is from the day on which the directory is first distributed to Subscribers to the day the succeeding directory is first distributed to Subscribers. Truestream’s voice provider will take reasonable precautions to ensure that non-published and unlisted numbers are not included in telephone directories or directory assistance services and to ensure published data is as accurate as possible, but cannot guarantee that errors will never occur. Any errors in End User names, addresses, or telephone numbers appearing in, or omitted from, third-party directories cannot be corrected until the next available publication of those directory lists. Truestream’s voice provider has no control over information appearing in the directory lists or directory assistance databases of directory publishers or directory assistance providers which are not owned or controlled by them.
- 27. INTERNET ACCESS SPEEDS.** The internet access speeds quoted are the maximum rates by which downstream/upstream Internet access data may be transferred between Truestream’s facilities and the network interface device at your home, office or apartment building. The maximum rate is not guaranteed and may vary. The quoted speeds should not be confused with the speed at which Subscriber’s modem receives and sends Internet access data through the public internet as such speeds are impacted by many factors beyond

Truestream's control. Actual internet speeds vary due to many factors including the capacity or performance of your computer or modem and its configuration, your wiring and any wireless configuration, your destination and traffic on the Internet, internal network or other factors at the internet site with which you are communicating, congestion on the network and the general speed of the public internet. The actual speed may affect your on-line experience including ability to view streaming video and speed of downloads. Except as otherwise provided by law, we reserve the right to implement network management controls to optimize and ensure that adequate speed and data transfer is available to all internet service Subscribers.

INTERNET USE. You understand that use of our internet Service is subject to our Acceptable Use Policy, as may be amended from time to time, which can be found at www.truestreamfiber.com, or may be requested by contacting us at Truestream at 1323 Boyne Ave., P.O. We have no responsibility and we disclaim any liability for the security of any information on your personal devices, or the security or accuracy of any information or data transmitted or received through the Services. We have no responsibility and we disclaim any liability for unauthorized access by third persons to your personal devices, files, or data or any loss or destruction of your files or data.

ATTACHMENT A
Emergency Services 911 Dialing

This Attachment A sets forth the terms and conditions under which SERVICE PROVIDER will provide to you Emergency Service 911 Dialing as an element of the Voice-over the-IP (Phone Services).

1. You will have access to either basic 911 or Enhanced 911 (E911) service. With E911 service, when you dial 911, your telephone number and registered address may be sent to the local emergency center assigned to your location. Emergency operators may have access to the information they need to send help and call you back if necessary. We do not have control over emergency operators nor can we guarantee that a 911 call will be routed to the correct operator. Subscribers in locations where the emergency center is not equipped to receive their telephone number and address may have basic 911. With basic 911, the local emergency operator answering the call will not have your call back number or your exact location, so you must be prepared to give them this information. Until you give the operator your phone number, he/she may not be able to call you back or dispatch help if the call is not completed or is not forwarded, is dropped or disconnected, or if you are unable to speak. You authorize us to disclose your name and address to third-parties involved with providing 911 Dialing to you, including, without limitation, call routers, call centers and local emergency centers.
2. You agree to assume the obligation to inform any employees, guests and other third persons who may be present at the physical location where you utilize the services and/or products we provide under this Agreement of the important differences in and limitations of your phone service as compared with basic 911 or E911. The documentation that accompanies each telephone device will include a sticker concerning the potential non-availability of basic 911 or E911 (the "911 Sticker"). It is your responsibility, in accordance with the instructions that accompany each device, to place the 911 Sticker as near as possible to each phone that you use with the service. If you did not receive a 911 Sticker with your telephone device, or you require additional 911 Stickers for phone devices we do not provide, please contact our Subscriber care department at 1-888-538-3960 for additional 911 Stickers which we will provide for no additional cost.
3. This service is provided at a specific permanent address and not available as a nomadic offering. Before you move the telephone device(s) to another location, you must notify us to determine if service can be provided at your new permanent address. Service will only be provided at locations where E911 or basic 911 connectivity are available.
4. Your 911 Dialing feature will not be activated for any phone line that you are using with our service, UNLESS AND UNTIL YOU RECEIVE AN EMAIL FROM US CONFIRMING THAT THE 911 DIALING FEATURE HAS BEEN ACTIVATED FOR THAT PHONE LINE.
5. In the event of a power failure, network backup power systems are in place. The device providing service also provides limited battery backup. Excessive use during a power outage will result in shortened life of the internal battery. The device will provide indication of low battery voltage. You should notify us for instructions or replacement. Failure of network power backup systems or the telephone device's internal backup system during a power failure or disruption will prevent all service, including 911 dialing from functioning.
6. Service outages, suspensions or disconnections of your broadband service will prevent all service, including 911 Dialing, from functioning. SUCH OUTAGES MAY OCCUR FOR A VARIETY OF REASONS, INCLUDING, BUT NOT LIMITED TO, THOSE REASONS DESCRIBED ELSEWHERE IN THIS AGREEMENT. Service outages due to disconnection of your account will prevent all service, including 911 Dialing, from functioning.
7. Other third party transport providers may intentionally or inadvertently block the ports over which the service is provided or otherwise impede the usage of the service. In that event, provided that you alert us to this situation, we will attempt to work with you to resolve the issue. During the period that the ports are being blocked or your service is impeded, and unless and until the blocking or impediment is removed or the blocking or impediment is otherwise resolved, your service, including the 911 Dialing feature, may not function. You acknowledge that we are not responsible for the blocking of ports or any other impediment to your usage of the service, and any loss of service, including 911 Dialing, which may result. In the event you lose service as a result of blocking of ports or any other impediment to your usage of the service, you will continue to be responsible for payment of the service charges unless and until you disconnect the service in accordance with this Agreement.
8. There may be a greater possibility of network congestion and/or reduced speed in the routing of a 911 dialing call made utilizing the Service as compared to traditional 911 dialing over traditional public telephone networks. Momentum does not have any control over whether, or the manner in which, calls using 911 dialing service are

answered or addressed by any local or national emergency response center. Momentum and our suppliers disclaim all responsibility for the conduct of local emergency response centers and the national emergency calling center. Momentum and our suppliers rely on third parties to assist in routing 911 dialing calls to local emergency response centers and to a national emergency calling center. Momentum and our suppliers disclaim any and all liability or responsibility in the event such third party data used to route calls is incorrect or yields an erroneous result. NEITHER MOMENTUM, OUR SUPPLIERS, NOR OUR OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, OR AGENTS MAY BE HELD LIABLE FOR ANY CLAIM, DAMAGE, OR LOSS, AND SUBSCRIBER HEREBY WAIVES ANY AND ALL SUCH CLAIMS OR CAUSES OF ACTION, ARISING FROM OR RELATING TO 911 DIALING SERVICE. Subscriber shall defend, indemnify, and hold harmless Momentum and our suppliers, our officers, directors, employees, affiliates and agents and any other service provider who furnishes services to Subscriber in connection with the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, attorney's fees) by, or on behalf of, you or any third party relating to the absence, failure or outage of the service, including 911 Dialing, incorrectly routed 911 Dialing calls, and/or the inability of any user of the service to be able to use 911 Dialing or access emergency service personnel.

9. If you are not comfortable with the limitations of the 911 dialing service, you should consider having an alternate means of accessing traditional 911 or E911 services or disconnecting the service.”
