Download or Upload Activity

Residential Family Plan - 100 Mbps

Residential Ultra Plan - 200 Mbps

Residential Max Plan - 1 GIG

HD Movie (4 Gb)

6 MINUTES

Just enough time to grab refreshments.

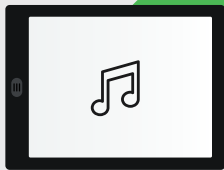

3 MINUTES

Settle in with a blanket and box of tissues.

34 SECONDS

Now that's what I call instant gratification.

100 songs (400 Mb)

33 SECONDS

Just enough time to find your earbuds.

16 SECONDS

Your music will be back right after these—oh look, it's finished.

3 SECONDS

One Mississippi, two Mississippi, done!

100 photos (200 Mb)

16 SECONDS

Start making your list of recipients - bam, it's ready.

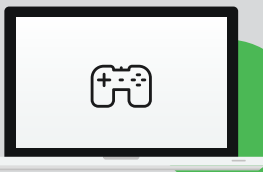

8 SECONDS

Presto, your album is ready.

1 SECOND

Blink and you'll miss it

Game (30 Gb)

43 MINUTES

Get your chores done while the game downloads.

22 MINUTES

Get dinner in the crockpot and settle in for a gaming marathon.

4 MINUTES

Boom. Let's do this.

Time estimates calculated with www.download-time.com/. Times also assume that only one device is in use at that moment.
